

Dear Roadster Owner,

Your Roadster is equipped with an adjustable suspension. It was delivered from the factory set to Tesla's recommended Comfort setting. You can adjust your Roadster to the Sports setting by twisting the sleeve on the shock absorber and adjusting the anti-roll bar to the recommended positions.

## Shock Absorber Adjustment:

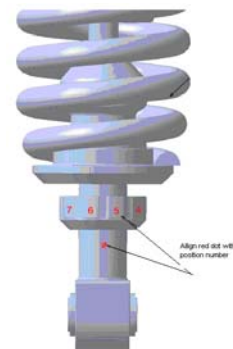

### Front Suspension

Front Suspension

Tire		Comfort	Sport
Standard Tire	AD07	4	7
Performance Tire	AD08	2	7

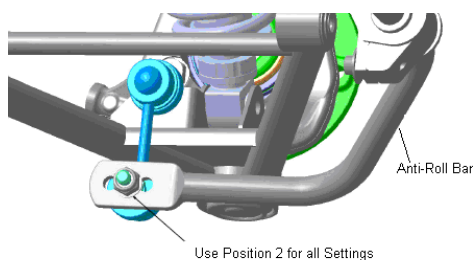

### Rear Suspension

Rear Suspension

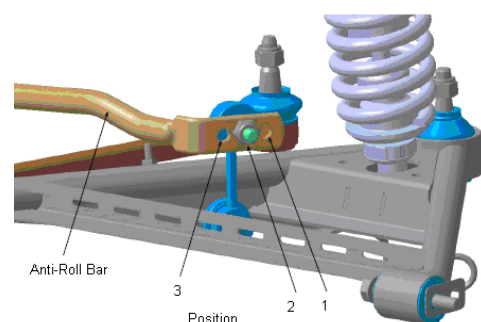

Tire		Comfort	Sport
Standard Tire	AD07	5	8
Performance Tire	AD08	2	10

## Anti-Roll Bar Adjustment

Front Suspension

Tire		Comfort	Sport
Standard Tire	AD07	2	2
Performance Tire	AD08	2	2

Rear Suspension

Tire		Comfort	Sport
Standard Tire	AD07	2	2
Performance Tire	AD08	2	3
