#### **F. Territory**

This Vehicle ESA applies to a Vehicle sold by Tesla in the Tesla European Warranty Region and transported or driven only in the Tesla European Warranty Region. For the purposes of this Vehicle ESA, the Tesla European Warranty Region is defined as including the Member States of the European Economic Area, Switzerland, San Marino and Monaco. Implied and express warranties and conditions arising under applicable local, state or provincial laws or federal statute or otherwise in law or in equity, if any, including, but not limited to, implied warranties and conditions of merchantability or merchantable quality, fitness for a particular purpose, durability, or those arising by a course of dealing or usage of trade, are disclaimed to the fullest extent allowable by law, or limited in duration to the term of this Vehicle ESA. The performance of necessary repairs and parts replacement is the exclusive remedy under this Vehicle ESA or any implied warranties. Liability is limited to the reasonable price for repair or replacement of any covered part, not to exceed the manufacturer's suggested retail price for that part. Replacement may be made with parts of like kind and quality, including non-original manufacturer's parts or remanufactured parts, as necessary.

In no event shall liability for a Failure under this Vehicle ESA exceed the fair market value of the Vehicle at the time immediately preceding the Failure. In addition, the sum of all benefits payable under this Vehicle ESA shall not exceed the price You paid for Your Vehicle.

Tesla does not authorize any person or entity to create for it any other obligations or liability in connection with this Vehicle ESA. The decision of whether to repair or replace a part or to use a new or remanufactured part will be made by Tesla, in its sole discretion.

Tesla will not pay for or reimburse You for services that are performed by any party other than a Tesla Authorized Service Center or Tesla Ranger. Tesla hereby disclaims any and all indirect, incidental, special and consequential damages arising out of or relating to Your Vehicle, including, but not limited to, transportation to and from a Tesla Authorized Service Center, loss of Vehicle value, loss of time, loss of income, loss of use, loss of personal or commercial property, inconvenience or aggravation, emotional distress or harm, commercial loss (including but not limited to lost profits or earnings), towing charges, bus fares, vehicle rental, service call charges, gasoline expenses, lodging expenses, damage to tow vehicle, and incidental charges such as telephone calls, facsimile transmissions, and mailing expenses.

The above limitations and exclusions shall apply whether Your claim is in contract, tort (including negligence and gross negligence), breach of warranty or condition, misrepresentation (whether negligent or otherwise) or otherwise at law or in equity, even if Tesla is advised of the possibility of such damages or such damages are reasonably foreseeable.

#### **H. Dispute Resolution**

To the fullest extent allowed by the law of Your jurisdiction, Tesla requires that You first provide Tesla, during the applicable period specified in this Vehicle ESA, with notification of any Failure You have experienced within a reasonable time to allow Tesla an opportunity to make any needed repairs, before you pursue any remedy under Your local laws.
